

Tammy Cunningham, CPA - Financial Controller

EMPLOYMENT WRL General Contractors, LLC
2017- Present Financial Controller

EDUCATION East Texas State University, Commerce TX
B. B. A. Accounting, 1993

As an analytical and experienced senior financial professional with more than 23 years of experience leading a broad range of accounting and controller responsibilities, Tammy is well-positioned to exceed expectations as our Financial Controller.

From managing comprehensive accounting tasks and analyzing financials and budgets to leading system implementations and producing detailed financial reports, Tammy excels in performing and directing all accounting and financial concerns. Her success in efficiently managing cash flows—along with her expertise in improving and updating internal controls and processes—has prepared her to make a significant impact on our organization in this role. Furthermore, she enjoys coaching and leading high-performance teams to ensure maximum accuracy and productivity.
